**EduNet Webinar:** Trauma Informed Law Enforcement: Challenges and Successes with Implementation - Part 1

**Live Webinar:** May 30, 2019 from 1:00 p.m. to 2:30 p.m. (CDT)

1:00 – 1:05 pm	Welcome, Introductions, and Review of Agenda by Midwest Regional CAC
1:05 – 2:15 pm	EduNet Webinar Presentation
2:15 – 2:30 pm	Questions, Wrap-up, Closing Remarks, & Evaluation

**Course Description:**

This presentation will focus on how Dr. Siders, with staff from the Traverse Bay Children's Advocacy Center, worked to design and implement trauma-informed trainings with law enforcement partners. Additionally, the work and challenges related to supporting law enforcement in being more open to a trauma-informed lens when discussing clients and families in teams meeting for forensic interviews and case review meetings will be discussed. An overview of essential components and stages of the training will be reviewed as well as the challenges encountered in implementing the program. An opportunity for discussion and reference materials will be provided to generate ideas on how to develop the programming in other communities.

**Learning Objectives:**

1. Participants will learn the essential components, based on research and the individual needs of our team members, of trauma-informed training for law enforcement.
2. Participants and Presenter will discuss how to implement programs and trainings in their communities.
